

## Rates Effective October 1, 2007 through September 30, 2008

If you are a state employee in the *Defined Contribution plan* (first hired on or after March 1, 1997), and you are *vested* (you have the equivalent of 10 years full-time state service), the state will pay a percentage of your monthly health, dental, and vision insurance premiums when you terminate employment and reach eligibility age.

The insurance subsidy is based on your total years of state service. Beginning with ten years of service, the state will contribute 30 percent toward your premiums; you pay the remainder. For each additional year of service, the insurance subsidy increases by 3 percent, with a maximum of 90 percent once you have 30 years of service.

The state subsidy can be used with any state sponsored insurance plan. However, the amount the state will pay will not be more than it will pay under the Blue Cross Blue Shield Michigan PPO. Keep this in mind if you choose a plan with higher premiums.

*Note*: If you transferred from the Defined Benefit plan to the Defined Contribution plan, do not use this rate sheet. Refer to the insurance rates published online by the Employee Benefits Division.

## **Calculating the Amount You Pay**

**Step 1. Determine your years of service.** If you're not sure, you can find your total hours in DCDS under Employee Info, Leave Balances, Hours Type, DEFC40 or go to the MI HR Self Service website under Personal Information, Leave Balances, DEF CONTRIB SERV HOURS 40. Divide your total hours by 2,080. Drop any fraction of a year to arrive at your years of service.

The following pages provide subsidy rates if you have 10 or 11 years of service. However, if you have more than 11 years of service, continue on to calculate your payments.

**Step 2. Determine your insurance subsidy percentage.** In the Retirement Subsidy Table (below), find the percentage that applies to your years of service.

| HEALTH INSURANCE SUBSIDY TABLE |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |     |
|--------------------------------|----|----|----|----|----|----|----|----|----|----|----|----|----|----|----|----|----|----|----|----|-----|
| Years of<br>Service            | 10 | 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | 20 | 21 | 22 | 23 | 24 | 25 | 26 | 27 | 28 | 29 | 30+ |
| Insurance<br>Subsidy %         | 30 | 33 | 36 | 39 | 42 | 45 | 48 | 51 | 54 | 57 | 60 | 63 | 66 | 69 | 72 | 75 | 78 | 81 | 84 | 87 | 90  |

**Step 3. Determine the state share.** Find your plan of choice on the attached charts. Multiply the Monthly Total that applies to you by your Insurance Subsidy percentage to determine the State Share.

## Monthly Total (x) Insurance Subsidy % = State Share

Compare this amount to the BCBSM PPO state share and use the lesser amount.

**Step 4. Determine the Amount You Pay.** Subtract the State Share from the Monthly Total to determine the Amount You Pay per month.

Monthly Total (-) State Share = Amount You Pay

## Continued health insurance coverage

**COBRA protects your dependents after eligibility stops.** If one of your dependents loses insurance eligibility, he or she may be able to pay for continued coverage for a limited time. A federal law known as Consolidated Omnibus Budget Reconciliation Act, or COBRA, allows your dependent spouse or child the option of paying for continued health insurance coverage for up to 36 months after a qualifying event. Your dependents will be notified of their options regarding COBRA.

P.O. Box 30171

Lansing, MI 48909-7671

COBRA rates are included in this document. COBRA rates are not subsidized and include administrative fees.
